BHI Club Member Warehouse Delivery Fees:	
1 Pallet or up to 500 pounds (52.5 cubic feet)	\$125
2 Pallets or up to 1,000 pounds (105 cubic feet)	\$225
3 Pallets or up to 1,500 pounds (157.5 cubic feet)	\$325
4 Pallets or up to 2,000 pounds (210 cubic feet)	\$425
5 Pallets or up to 2,500 pounds (262.5 cubic feet)	\$550
6 Pallets or up to 3,000 pounds (315 cubic feet)	\$650
7 Pallets or up to 3,500 pounds (367.5 cubic feet)	\$750
8 Pallets or up to 4,000 pounds (420 cubic feet)	\$850
9 Pallets or up to 4,500 pounds (472.5 cubic feet)	\$950
10 Pallets or up to 5,000 pounds (525 cubic feet)	\$1,100

Items may be combined for a total cubic foot measurement. The total cubic feet is then divided by 52.5 to receive the amount of pallet space needed. This total will always be rounded up to the next even number. Each pallet has a maximum weight of 500 pounds. If your total size is less than 52.5 cubic feet, but the weight is over 500 pounds, you will be charged the next higher rate. For every delivery over 2500 pounds or a total of more than 5 pallets or over 262.5 cubic feet, there will be a separate delivery trip for your items at a rate of \$495. If your delivery requires a single run to your home or business, a charge of \$495 will apply. An additional \$85 charge will apply if a second person is needed to unload or load items. For items stored at the warehouse after three business days, there will be a \$100 per week/pallet charge. With the delivery of specialty items, which are not comparable with pallets, the cargo size must not exceed 20 feet long by 90 inches wide by 90 inches high and must not exceed 5000 pounds. If items are not palletized, we will consider the measurements and weight and convert into pallet sizes. High pressure containers, like propane tanks or gas tanks in any form or fashion, cannot contain any flammable substances. These types of items will need to be empty before they can be placed on the truck for delivery. For items taken off the island, generally 1/2 of the pallet fees apply.
